AROUND THE YARD

THANK YOU AGAIN THIS MONTH to all of the wonderful men and women who have come from far and wide to help in our region's time of need with the bush fires. It is sad to think a month on we still have helicopters constantly flying over.

With Christmas now only a few weeks away please remember that our last full day of trading is Thursday 19th December. It has been a busy year for the team and everybody is well and truly ready for a couple of weeks off.

We sadly farewell Bree at Christmas, after 3 wonderful years of having her smiling face in the office at Bennetts. She is off to live the Station life in far North West Queensland with partner Tom. We thank you and wish her all the best.
